

Patrick Kozakiewicz

Trainer for Mindfulness

He has been working with mindfulness for 15 years now, bringing it to the business world, schools and sports. His philosophy is to empower people by making them more aware, better manage their emotions and thoughts and to pay better attention. He has experience and curiosity in technology, agile, design thinking and making businesses flourish.

Patrick prowadzi następujące szkolenia:

- Becoming a Scrum Master
- Design Thinking Your Life (Career)
- Mindful Leadership Level 1
- Mindful Leadership Level 2
- Mindful Leadership Level 3
